Dear Parents

Welcome to Crown Private School. We are thrilled to have you and your child join our school community for the upcoming Academic Year. To ensure a smooth transition and provide you with all the necessary information about our school, we will be hosting a Parent Orientation Session on 25th August at 09:30 am. This session is designed to familiarize you with our school policies, curriculum, extracurricular activities, and overall school culture.

During the orientation, you will have the opportunity to meet our dedicated teachers, as well as other parents who are part of our school community. We strongly believe in fostering a strong partnership between our school and parents, as it plays a vital role in your child's success. Students may accompany their parents, but must be left in the designated play areas where arrangements will be made for their supervision.

Here are some key points that will be covered during the Parent Orientation Session:

- Introduction to our school's mission, values, and educational philosophy.
- Overview of the curriculum, including subjects, teaching methodologies, and assessments.
- Information about school policies, such as attendance, dress code, and behavior expectations.
- Introduction to the various extracurricular activities and clubs available for students.
