- Class Teacher Interaction:** You will have the opportunity to speak directly with your child's class teacher, fostering open lines of communication and addressing any specific concerns or questions you may have.
- ICampus App:** Discover the features and benefits of our ICampus app, which serves as a convenient tool for communication, access to resources, and tracking your child's academic journey.
- Child Protection:** We begin with a discussion on child protection, ensuring you are well-informed about the measures in place to keep your child safe within our school environment.
- New School Protocols:** Learn about any recent updates to our school protocols, ensuring that you are aware of any changes that may affect your child's daily routine.
- Subject Teacher Meetings:** Additionally, you can connect with subject teachers to gain a deeper understanding of your child's academic progress and discuss their strengths and areas for improvement.

We believe that these information sessions are pivotal in comprehending our school's processes. They serve as a platform to prevent any potential misunderstandings or miscommunications between the school and parents. While the last point is optional, it provides an excellent chance for personalized interaction with your child's teacher.

Your active participation in this event will contribute to a more collaborative and productive educational experience for your child. We look forward to welcoming you to the Parent Information Session and working together to ensure the success and well-being of our students.

Yours Sincerely,  
Dr. Kishor Pillai
