

Acceptable Use Policy

At Crown Private school, we recognize the immense value of technology and the information network as essential educational tools. Our commitment is to utilize both existing and emerging technology to facilitate learning and empower students to thrive in the 21st Century. We aim to equip our students with the skills necessary for success in a competitive global landscape dominated by electronic advancements.

Access to the vast resources of the worldwide network is fundamental to each student's education. Understanding when and how to responsibly utilize these resources is integral to their development. However, we respect parental concerns regarding internet access. Therefore, parents who wish to restrict their child's internet access must communicate this in writing to their child's teachers before the end of the second week of school. The school's information technology resources, including email and internet access, are provided primarily for educational purposes. If there is any uncertainty regarding the appropriateness of an activity, individuals are encouraged to consult with their immediate teacher, supervisor, or director for guidance.

Adherence to the following policy is mandatory to maintain continued access to the school's technological resources:

Users must adhere to the following guidelines to respect and safeguard the integrity, availability, and security of all electronic resources:

1. Abiding by all school Internet filters and posted network security practices.
2. Promptly reporting any security risks or violations to a teacher or network administrator.
3. Refraining from destroying or damaging data, networks, or other resources without explicit permission from the owner.
4. Conserving, protecting, and responsibly sharing these resources with other users.
5. Notifying a staff member or administrator of any computer or network malfunctions.

Users must also uphold the intellectual property rights of others by:

1. Complying with copyright laws, including refraining from making illegal copies of music, games, or movies.
2. Properly citing sources when using others' work to avoid plagiarism.

Furthermore, users are expected to uphold the principles of community by:

1. Engaging in communication that is kind and respectful.
2. Reporting any threatening or discomfoting materials to a teacher or administrator.
3. Avoiding intentionally accessing, transmitting, copying, or creating material that violates the school's code of conduct or honor code, such as content that is pornographic, threatening, rude, discriminatory, or harassing.
4. Avoiding intentionally accessing, transmitting, copying, or creating material that is illegal, including obscenity, stolen materials, or illegal copies of copyrighted works.
5. Refraining from using the resources to engage in criminal activities or violations of the school's code of conduct or honor code.
6. Avoiding spam, chain letters, or other mass unsolicited mailings.
7. Not engaging in buying, selling, advertising, or other business activities unless approved as a school project.

Users may utilize the resources if they comply with the aforementioned policies to:

1. Design and publish web pages and other material using school resources.
2. Communicate electronically via tools such as email, chat, text, or video conferencing.
3. Install or download software, provided it complies with laws and licenses.
4. Utilize the resources for educational purposes during school hours.

Consequences for Violation

Violations of these rules may result in disciplinary action, including the loss of a user's privileges to use the school's information technology resources. Further disciplinary measures may be imposed in accordance with the school's code of conduct and honor code, including suspension or expulsion, depending on the severity of the violation.

Supervision and Monitoring

While the use of school-owned information technology resources is secure, it is not private. School and network administrators, along with their authorized employees, monitor the use of information technology resources to ensure security and compliance with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks to protect the health, safety, discipline, or security of any student or other individual, or to protect property. This information may also be used in disciplinary actions, and evidence of crime may be provided to law enforcement agencies.

The school reserves the right to determine what constitutes acceptable use and to restrict access accordingly. Additionally, the school reserves the right to limit the duration of access and use.

Roles and responsibilities for Student Internet Safety

1. School Leadership Team will:

Organise focused workshops on raising awareness of cyber bullying and appropriate responses in dealing with it

- Ensure safety and security of students when using internet and electronic communications
- Provide students, staff and parents with guidelines and instructions for student safety while using the Internet

3. Students will:

Ensure they do not divulge any information about themselves or other persons on social media or through any other form of electronic communications over the Internet

- Not disclose their home address or telephone numbers
- Never upload any images of themselves or others without permission of parents or Staff
- Not Plan or arrange appointments with anyone they have met on the Internet
- Take proper measures if they receive any message that is inappropriate or makes them feel uncomfortable. They should immediately inform the school or to an adult they trust
- Ensure they are not exposed to information or images that might harm them or cause them discomfort
- Speak out against cyber bullying and immediately get in touch with the relevant Staff or parents
- Not damage computers, computer systems, software, or computer networks
- Respect themselves and all other users through good network etiquette
- Say no to plagiarism and give due credit to anyone whose work they are using for educational purposes
- Help in raising awareness across School of acceptable and smart use of technology

3. Staff will:

- Educate students about appropriate and safe internet usage, including interaction
- And communication with other people on social networking websites and in chat rooms
- Encourage awareness about cyber bullying and give clear guidelines as to the steps that are to be taken and people that can be approached
- Monitor and ensure that there is no misuse of internet
- Raise awareness about the advantages and disadvantages of using Social media like Class dojo, Facebook, instagram and YouTube

Improve peer collaboration and sharing of internet resources through sustained usage of online web-based interactive communication

- Empower students with 21st century learning tools to enable them to become independent learners
- Share outstanding teaching practices through electronic communication
- Incorporate ICT in all areas of the curriculum to encourage the holistic approach of the students
- Develop the presentation skills using ICT for project work and competitions

4. Parents will:

- Monitor and enforce their own family values to their children making them aware of the importance of using internet safely
- Involve their children in regular discussions regarding the different challenges that are presented through the internet
- Ensure that the children are aware of the acceptable use of technology and the consequences if the rules are broken
- Maintain clarity and consistency on what is permissible and what activities are unacceptable
- Assume complete responsibility for monitoring their children's use of internet at home and outside School
- Inform and work with the School if any misuse is reported or found
- Seek help and support from the School in case of any incident that involves cyber bullying
- Be well informed about the work or projects given to the children to rule out any misuse. In case of any concerns check with the school immediately.

Violations of this Policy

- The School reserves the right to terminate any user's access to School's Internet Systems - including access to School email - at any time.
- If a student violates this policy, appropriate disciplinary action will be taken consistent with the Discipline policy of the School and UAE by law for Student Code of Conduct. The student may not be penalized academically, and the teacher will ensure that the student continues to have a meaningful opportunity to participate in the educational program.
- Staff violations of this policy will be handled by suitable disciplinary measures.
- All users must promptly disclose to their teacher, parent, or line manager about any information they receive that is improper or makes them feel uneasy.

Promotion of the Policy

The policy will be promoted through Class Dojo , circulars, Posters , and workshops for parents and students throughout the School. The message will be reinforced periodically by all teachers.

Early Years/Key Stage 1

Acceptable Use Policy

My name is _____

This is how I keep **SAFE online**:

1. I only use the devices I'm **ALLOWED** to
2. I **CHECK** before I use new sites, games or apps
3. I **ASK** for help if I'm stuck
4. I **KNOW** people online aren't always who they say
5. I don't keep **SECRETS** just because someone asks me to
6. I don't change **CLOTHES** in front of a camera
7. I am **RESPONSIBLE** so never share private information
8. I am **KIND** and polite to everyone
9. I **TELL** a trusted adult if I'm upset, worried, scared or confused
10. If I get a **FUNNY FEELING** in my tummy, I talk to an adult

My trusted adults are:

_____ at school

_____ at home

Key Stage 2

Acceptable Use Policy

This agreement will help keep me safe and help me to be fair to others

1. ***I learn online*** – I use the school’s internet and devices for schoolwork, homework and other activities to learn and have fun. I only use apps, sites and games if a trusted adult says I can.
2. ***I am creative online*** – I don’t just spend time on apps, sites and games looking at things from other people; I get creative to learn and make things!
3. ***I am a friend online*** – I won’t share anything that I know another person wouldn’t want shared, or which might upset them. And if I know a friend is worried or needs help, I will remind them to talk to an adult, or even do it for them.
4. ***I am a secure online learner*** – I keep my passwords to myself and reset them if anyone finds them out.
5. ***I am careful what I click on*** – I don’t click on links I don’t expect to see and only download or install things when I know it is safe or has been agreed by trusted adults.
6. ***I ask for help if I am scared or worried*** – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game – it often helps. If I get a funny feeling, I talk about it.
7. ***I know it’s not my fault if I see or someone sends me something bad*** – I don’t need to worry about getting in trouble, but I mustn’t share it. Instead, I will tell someone.
8. ***I communicate and collaborate online*** – with people I know and have met in real life or that a trusted adult knows about.
9. ***I know new friends aren’t always who they say they are*** – I am careful when someone wants to be my friend. Unless I have met them face to face, I can’t be sure who they are. If I want to meet them, I will ask a trusted adult, and never go alone or without telling an adult.
10. ***I don’t do public live streams on my own*** – and only go on a video chat if my trusted adult knows I am doing it and who with.
11. ***I tell my parents/guardians what I do online*** – they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I’m doing.
12. ***I am private online*** – I only give out private information if a trusted adult says it’s okay. This might be my home address, phone number or other personal information that could be used to identify me or my family and friends.
13. ***I keep my body to myself online*** – I never change what I wear in front of a camera and remember that my body is mine and mine only, and I don’t send any photos without checking with a trusted adult.
14. ***I say no online if I need to*** – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.
15. ***I am a rule-follower online*** – I know that apps, sites and games have rules on how to behave, and some have age restrictions. I follow the rules, only use the ones I am allowed to use, and report bad behaviour.
16. ***I am not a bully*** – I do not post, make or share unkind, hurtful or rude

messages/comments and tell my trusted adults if I see these.

17. **I am part of a community** – I do not make fun of anyone or exclude them because they

are different to me. If I see anyone doing this, I tell a trusted adult.

18. **I respect people's work** – I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons license.

19. **I am a researcher online** – I use safe search tools approved by my trusted adults. I know I can't believe everything I see online, know which sites to trust, and know how to double check information I find.

I have read and understood this agreement.

If I have any questions, I will speak to a trusted adult: at school that includes:

Outside school, my trusted adults are:

Name & Signature: _____
